Atal Pension Yojana dominates social security plans with 66% NPS subscriber base

PRESS TRUST OF INDIA
New Delhi, September 5

ATAL PENSION YOJANA has emerged as the most popular social security scheme under the National Pension System with over 2.8 crores subscribers, mainly from the non-metro centres.

Out of 4.2 crore National Pension System (NPS) subscribers, over 66% or 2.8 crore opted for the APY at the end of 2020-21, says the annual report of the National Pension Systems Trust (NPS Trust).

The State Government Scheme ranks second with 11% share, while the central autonomous bodies (CAB) continued to account for the least number of subscribers of NPS with a share of 1%, followed by state autonomous bodies (SAB) with a share of 2%.

“APY is the most subscribed plan among non-metro subscribers. This also reflects the demographic pattern in the country, where more unorganised population segments reside in the non metros, thus accessing the NPS self-initiated plan,” the report said.

Total assets under management (AUM) for the National Pension System schemes saw a year-on-year growth of over 38%, and stood at ₹5.78 lakh crore at the end of the year, the report said, adding as of fiscal 2021, NPS had 4.2 crore registered users or popularly known as subscribers.

The National Pension System is a defined contribution retirement savings scheme administered and regulated by Pension Fund Regulatory and Development Authority (PFRDA).

APY also dominated in

terms of growth rate of the subscriber base, with a gain of 33% on-year in fiscal year ending March 2021, followed by the all-citizen model (32%).

The Atal Pension Yojana was launched by the Government of India in May 2015. This scheme is open to all citizens who are in the age group of 18-40 years.

Under the scheme, a subscriber would receive a guaranteed pension of ₹1,000 to ₹5,000 per month after attaining the age of 60, depending upon his contributions.

Non-metros had 3.77 crore subscribers or about 89% of the total 4.24 crore NPS subscribers.

“Non-metros subscribers have grown by 72.34 lakh in fiscal 2021 (growth of 24% over one-year) compared with metros subscribers which have grown by 4.87 lakh to 35.78 lakh in fiscal 2021 (growth of 16% over one-year),” it said.

The report said that age-wise analysis of NPS subscribers show that about 85% were in the 18-40 age bracket, a jump of 200 basis points (bps) from their share in fiscal 2019-20. Within this young subscriber base, the 18-25 age group represented the largest share at 30%.

Aditya Birla Health Insurance focuses on breaking even in next fiscal

PRESS TRUST OF INDIA
New Delhi, September 5

ADITYA BIRLA HEALTH Insurance Company (ABHICL) is likely to break even in the next financial year as the company is growing at a “good rate”, a top company official said.

The Aditya Birla Group’s health insurance company commenced its operations in October 2016.

“We are focused on break-even, we want to break even in the next financial year. We are growing at a good rate, and creating a good business. ABHICL grew close to 50% last year and

we want to maintain this kind of growth,” ABHICL chief executive officer Mayank Bathwal told PTI in an interaction.

He said the company would like to grow at a similar rate of around 50% in the current financial year as well.

The company’s gross written premium during April-June 2021 rose 50% to ₹368 crore. However, there was a loss of ₹128 crore during the first quarter, due to Covid-19 claims of ₹112 crore.

During April-July period of the current financial year 2021-22, the company’s gross direct premium income grew about

The company’s gross written premium during April-June 2021 rose 50% to ₹368 crore. However, there was a loss of ₹128 crore during the first quarter, due to Covid-19 claims of ₹112 crore

43% to ₹493 crore.

At the end of the March 2021 quarter, ABHICL recorded a gross written premium (GWP) of ₹1,301 crore and covered more than 13.4 million (1.34 crore) lives.

Bathwal said the insurer has seen good traction across categories as customers are now realising the importance of health insurance as the pandemic has hit them hard.

“Good thing is that from the regulatory perspective, there have been a lot of enablers. However, there are challenges in terms of the initial impact of Covid-19 cases as the claims have been high,” he added.

The company’s unique and differentiated health-first business model, such as 100% return of premium, is contributing to more than 50% of retail health new business. Bathwal

said the ₹1-crore policy cover that was launched a one-and-a-half year ago has also become a successful product.

The pandemic has come as an unexpected event, though it has helped increase the awareness level of consumers. They are realising why it is critical to have an insurance cover, said the official.

Now, people have started buying insurance at an early age. Besides, the value of the sum assured has also gone up. The sum assured amount has now gone up to ₹5-10 lakh, which

was in the range of ₹3-4 lakh earlier, he said.

Also, people are finding that their corporate insurance cover may not be enough to cover for any eventuality, so they are looking for top-up and additional insurance coverage also, the official added.

On the company’s capital requirements, he said, “We are in a growth mode, we are still having our losses. But, as I said that we will be breaking even next year, so we will continue to seek some capital. But, we are at the fag end of that requirement.”
